

Ad Specifications

Digital Advertising Material Requirements

Digital Media Delivery:

Macintosh formatted CD or DVD with a contract proof. You must provide a color laser at 100% scale if a contract proof is not supplied. Media will not be returned.

Preferred Files:

PDF created as PDF/x-1a:2001

Other File Types:

InDesign, QuarkXpress, Photoshop and Illustrator. Please supply all links and fonts used in the document.

File Considerations:

Make sure all images are high resolution (300 ppi) in CMYK mode. Convert all spot colors to 4-color process (CMYK). Maximum ink density is 300.

Contract Proofs:

A contract proof is recommended, but not required. Only SWOP certified proofs such as Kodak Approval, Creo Iris, and Fujifilm FinalProof are acceptable for matching color on press. A standard GATF or SWOP color bar should be included on the proof, but is not necessary in the digital file. Go to www.swop.org for more information.

Additional Charges:

Minimum charge for the publisher to correct a problem file is \$250. Any additional work involved such as typesetting will be billed at publisher's standard rates.

Key Information

Wyndham
Championship
July 30 - August 4

Advertising closing:
June 14

Materials due:
June 28
